a. The Board of Directors supervision of the Executive Board

- The BOD closely monitors the EB's execution of the BOD's resolutions, promptly addresses issues arising within its jurisdiction to facilitate the EB's operations;
- Directs shareholder relations work to reinforce trust and support for the company during the unstable period of the financial and securities markets, with the principle of transparency in information, financial soundness, business strength, and project development in the core business areas.
- Oversees the EB's direction in resource management, boldly replacing senior leadership in core subsidiaries when they fail to meet objectives, restructuring the organization, streamlining personnel, and implementing measures to enhance enthusiasm, quality, and

professionalism among all employees. Ensures high unity and consensus within the EB regarding management and business operations;

- Takes decisive actions in investment activities, capital mobilization, capital restructuring, and capital increase plans to ensure funding for the Group's major projects. Regularly reviews and adjusts business plans and project deployment strategies to meet market demands and regulatory policies of relevant ministries and sectors;
- Commands cost-saving measures through regulations on asset management, including vehicles, office equipment, and operational expenses, restructuring the organizational structure and personnel at the parent company and key subsidiaries to streamline operations in alignment with the overall financial crisis;
- Directs resource and budget allocation to expedite the completion and rectification of delays caused by managerial negligence in real estate projects, ensuring timely delivery to clients and project handovers to operational partners as planned;
- Instructs the EB and Group's representatives in subsidiaries and affiliates to devise solutions for improved management, and enhanced efficiency in capital use and preservation;
- Oversees employee training, intensifying activities of the Social Aspects Committee to inspire enthusiasm and dedication among all company employees;
- Directs participation in environmental, and philanthropic activities to share community and social responsibilities.

c. Supervising the Board of Directors, Board of Management and Shareholders by the Board of Supervisors

- In 2024, the Board of Supervisors (BOS) performed oversight of the BOM and BOD through the following activities:
 - Inspecting and supervising compliance with laws, adherence to the Charter, and implementation of Resolutions and Decisions of the Annual General Meeting (AGM), the BOM, and the BOD.
 - Reviewing the separate and consolidated financial statements during the reporting period to ensure compliance with standards and legal regulations.
 - Inspecting and evaluating compliance with tax laws to minimize tax obligation risks across companies within the system.
 - Monitoring activities related to capital increase, dividend distribution, and the appointment or dismissal of personnel.
 - Assessing the effectiveness of operations, including sales, procurement, information disclosure, risk management, investments, financial accounting, subsidiary management, annual reporting, borrowing, and debt repayment.
 - Collaborating with the BOM and BOD to prepare for the AGM.
 - Reporting to shareholders on the supervisory activities and results for 2023.
 - Supervising and inspecting transactions with related parties to ensure compliance with regulations, proper procedures, and the appropriate authority of the BOM and BOD. Regular meetings were held to discuss issues arising within the Supervisory Board functions and duties in accordance with the Supervisory Board operating regulations.
- Through its oversight activities and the information provided by the BOM and BOD, the BOS evaluated the operations of the BOM and BOD as compliant with the strategy approved by the

AMG. It further adheres to the provisions of the Enterprise Law, Securities Law, the Company's Charter, the AMG Resolutions, the BOM Resolutions, and other legal regulations.

- The financial statements and related information are presented accurately, fairly, and promptly, in accordance with legal requirements and internal regulations within the Group.
- Additional annual activities (if any) are carried out within the scope and duties prescribed by law and the Company Charter.

d. Coordination Among the Board of Supervisors, the Board of Directors, the Board of Management and Other Managers:

- The Board of Supervisors works closely with BOM, BOD, and management personnel, who support and facilitate the execution of its duties.
- The functional departments and management personnel comply with the directives of the BOM and BOD in coordinating regular or ad-hoc oversight and monitoring activities of the Board of Supervisors.

e. Other Activities of the Board of Supervisors: None
