c. Supervising the Board of Directors, Board of Management and Shareholders by the Board of Supervisors

- The audited financial statements for 2024 and 2025, as well as the self-prepared quarterly and semi-annual 2026 financial statements, have not yet been prepared and provided in accordance with regulations. The Supervisory Board has issued internal official dispatches urging the Board of Directors and the Board of Management to expedite the preparation and issuance of the Financial Statements.

- The activities carried out by the Supervisory Board in the first half of 2026 focused primarily on monitoring compliance with current regulations on the preparation and issuance of the financial statements.
- Inspecting compliance with the meeting minutes and Resolutions of the Board of Directors; and monitoring the progress of the Company's restructuring in the first half of 2026.
- Risk note: The delay in preparing, auditing and disclosing the 2024 and 2025 financial statements is a material risk that affects the transparency and information-disclosure obligations of the public company and the interests of shareholders and investors; it also prevents the Supervisory Board from fully performing its appraisal of the financial statements as required by law. The Supervisory Board recommends that the Board of Directors and the Board of Management urgently complete the preparation, audit and issuance of the outstanding financial statements.

Deficiencies and violations in the Company's information disclosure

- Through its supervision, the Supervisory Board notes that during the period the Company committed multiple breaches of the information-disclosure obligations of a public company and listed organization under the Law on Securities 2019, Circular 96/2020/TT-BTC (as amended and supplemented by Circular 68/2024/TT-BTC) and the Stock Exchange's Information Disclosure Regulations.
- Specifically, the Company was late in, or has not yet, disclosing numerous financial statements as required, including: the audited financial statements for 2024 and 2025; the reviewed semi-annual financial statements for 2025; the quarterly financial statements for 2025; and the Q1 2026 financial statements (separate and consolidated). This has also resulted in the delayed disclosure of the 2024 and 2025 Annual Reports.
- As a consequence, BCG shares were successively placed by the Ho Chi Minh City Stock Exchange (HOSE) under warning status (from 23/4/2025) and control status (from 13/5/2025), then subjected to trading restriction and suspension in Q4 2025, and finally compulsorily delisted for more than 880 million shares from 15/7/2026 under Article 120 of Decree 155/2020/ND-CP on the ground of serious violation of information-disclosure obligations.
- The Supervisory Board considers these to be serious violations that directly affect the transparency and reputation of the Company and the legitimate interests of shareholders and investors. The main causes were turnover of senior personnel and of the finance-accounting department, the prolonged restructuring and bond-settlement process that delayed the audit, and the fact that certain related records and documents were being used for investigation purposes.
- The Supervisory Board recommends that the Board of Directors and the Board of Management urgently complete the preparation, audit and full disclosure of the outstanding financial statements; proactively remedy all information-disclosure violations; develop and implement a roadmap to bring the shares back to trading; and strengthen the organization and processes to ensure full compliance with information-disclosure obligations going forward.

d. Coordination Among the Board of Supervisors, the Board of Directors, the Board of Management and Other Managers:

- Members of the Supervisory Board received support from the Board of General Directors regarding the provision of information and documents, and favorable conditions were created to facilitate the Supervisory Board's activities.
- The Supervisory Board attended meetings of the Board of Directors/Board of Management upon invitation and contributed opinions within the scope of their functions and duties in accordance with current regulations.

e. Other Activities of the Board of Supervisors: None
